

HEALY PROGRAMMS

Goldcycle

Pure The Pure program is the ideal starting point for anyone using Healy for the first time. It should help the energy field of the organism to recover from the bioenergetic effect of environmental pollutants, toxins, an unhealthy diet and other negative factors.

Care We see a weakened bioenergetic field as a reason for many acute and chronic diseases. Strengthen your energy field through appropriate exercise, healthy nutrition and pure water. Care means "caring"; in other words, preventing a multitude of bioenergetic disorders.

Balance The fine balance of the various bodily functions is very important for our well-being and health. Balance refers to the bioenergetic balance of the kidneys, circulation, lymphatic system and hormones. It is an ideal program for a deep bioenergetic balancing of the body's energy field.

Being What the program Balance is for the body, Being is for our soul. It should help you regain emotional balance.

Energy Performance needs support. No matter whether you are a well-trained competitive athlete, a stressed-out manager or a busy mother, Energy should help you to bioenergetically deal with health problems.

Relax Relax stands for a relaxing anti-stress effect. Stress is often the cause of hyperacidity and imbalances in the body. According to our understanding, many diseases are caused by continuous stress. Modern life keeps many of us from letting go of our daily sorrows and stress, an endeavor that we think is vital for achieving recovery.

Release There are many different causes of pain. For example, pain can be a symptom of hyperacidity of the tissue. As an alternative or in addition to the classic pain applications in Healy you can use the Nuno Nina Gold Cycle Release program. In this program you work systemically in the bioenergetic field of the body, no matter where the pain is located in the body.
